# The One Page Retirement Plan

Want to retire early... here's how!

First, Ask What is Retirement?

- Retirement is when your investments throw off enough cash every month to pay your bills. *Then you can call your boss and tell him to take a hike!*

How do we do it? 5 Easy Steps

- 1. Figure Out How Much Money You Make From Your Investments.** Look at your savings and retirement accounts and add up all the Dividend Income you get over an entire year. Divide your yearly dividend income by 12... and now you know your Monthly Retirement Income.
